This stunning home is located at the end of a cul-de-sac, offering a peaceful and nature-filled environment while still being close to all services and restaurants. With two bedrooms, this home is both comfortable and functional. Wake up in the master bedroom to breathtaking sea views that never get old. The spacious, glass-enclosed terrace exudes a stylish lounge atmosphere, and the open-plan kitchen has been recently renovated in a modern Scandinavian style. The versatile guest room/home office allows flexible living and also has direct access to the terrace. The bathroom is spacious, and the separate utility room adds everyday convenience – or it can be converted back into a second WC if desired. The building offers exceptional amenities: a large laundry room, a top-tier gym, and two saunas for residents' free use. Plus, your own parking space in the garage ensures hassle-free parking. Come and fall in love with your new home!
