This beautifully presented, 2 bedroom, 2 bathroom corner apartment is an elevated ground floor, with huge terrace and garden space to enjoy. The gated community includes use of a super communal pool and garden area, and an underground garage space and extra large storage room are included in the price. The apartment has a very well equipped kitchen with separate utility, a living dining room, 2 double bedrooms and 2 large bathrooms. But it's the outside space which is the real stand out feature of the property - it really does have to be seen to be appreciated! With low running costs and a very convenient location very close to Miraflores Golf club and driving range, this is real gem of an apartment, highly recommended!
