Now there is an opportunity to buy this large bright plot with views of the sea and rural / country Spain. The plot is classified Rustica and today has two buildings, one of which has a private pool above the sleeping areas with three rooms and a toilet/shower and the other house is in great need of renovation but there is also a toilet & shower and a room that is more used as storage today. There are some small storage facilities on the plot and today there is a power line over the uninhabited part of the plot.
