The famous Golden Mile is probably the most sought after location on the Costa del Sol. The Golden Mile was the first established area with some of Marbella's prominent families as well as wealthy families from all over Europe; since the 60s The Golden Mile is the most exclusive area in Marbella. Due to its close proximity to the city centre and Puerto Banús, a choice of restaurants, amenities, the famous beach promenade with its charming chiringuitos and the famous hotels Marbella Club and Puente Romano the area is very popular with Spanish citizens looking for a holiday home as well as Northern Europeans; properties for sale in this area are quite limited, hence the demand has always been higher than the supply.
