The bright, open-plan living and dining area connects seamlessly with the terrace, creating an inviting indoor-outdoor setting from which to enjoy the Costa del Sol climate and beautiful sea views. The property comprises two bedrooms with spacious fitted wardrobes and two bathrooms, including an en-suite bathroom. Both bathrooms benefit from underfloor heating. The modern, fully equipped kitchen is integrated into the living area, while additional features include air conditioning, an energy-efficient aerothermal system, video entry, lift access and two private parking spaces. The development has attractive landscaped gardens and three outdoor communal swimming pools. Residents are also within easy reach of the Higuero Hotel, with its excellent sports, spa and wellness facilities, restaurants and premium lifestyle services. A Major Investment Advantage: Tourist Licence and Proven Rental Performance The apartment holds a valid Tourist Licence and has been successfully managed within our portfolio for the past two years, delivering excellent results. It has become one of the most sought-after units in the El Higuero area, thanks to its panoramic sea views, high-quality finish, excellent location and strong appeal among holiday guests. The furniture package is available for an additional €10,000 and is not included in the property price.
