A rare opportunity to acquire a generous 3 bedroom, 3 bathroom penthouse in Toscana Hills, one of Bel Air's most established gated communities on the New Golden Mile. With over 200 m2 of total living and outdoor space arranged across two levels taking in sea and mountain views, this is a home designed for the Mediterranean lifestyle and is priced competitively to sell. The main living level offers effortless day-to-day comfort. A bright open-plan lounge and dining area opens directly onto a southwest-facing 15 m2 covered terrace fitted with an automatic awning, ideal for year-round outdoor dining. The independent kitchen is spacious and practical with integrated appliances, a nice window and a separate laundry area. Three double bedrooms, all with fitted wardrobes, air conditioning, ceiling fans, and mosquito nets, are served by three bathrooms, including a private en suite to the principal bedroom. Throughout, the property has been very well maintained with luxury fittings and finishes. Upstairs, the real showpiece awaits. A private 82 m2 rooftop solarium with far-reaching panoramic views across the sea and the mountains, complete with built in barbecue, outdoor shower, and sink and covered storage. This is the kind of private entertaining and sunbathing space that is almost impossible to find at this price point. The property includes a private underground allocated parking space and a large storage room. The community offers landscaped gardens, a communal swimming pool, video surveillance, and a night concierge for added peace of mind. Location is everything here. Toscana Hills sits in the heart of Bel Air, just over one kilometre from the Costalita and New Golden Mile beaches so they are an easy stroll or flat bike ride away.
