Simply cross the road and you will reach the swimming pool in just a few steps. You can also relax with a drink on your own terrace or enjoy the service available at the pool or restaurant. Three Spacious Bedrooms and Two Full Bathrooms The apartment offers three spacious bedrooms and two full bathrooms, both equipped with a shower and toilet. One of the bathrooms is en-suite to a bedroom, adding extra comfort when staying with family or guests. One bedroom is located at the front of the apartment and is accessed from the living room. Hacienda el Sueño has a rental management structure that can organise various practical aspects of holiday letting, including bookings, payments, key handovers and cleaning. This allows you to enjoy the apartment yourself while leaving much of the day-to-day rental organisation to the on-site structure. Actual rental income will depend on factors such as occupancy, rental rates and operating costs.
