This unique property stands out for its proximity to all essential services, including schools, health centers, shopping areas, and just a few minutes from the beach. Additionally, it is located in a quiet and well-connected area, with quick access to the highway and supermarkets just five minutes away. Built in 2009, the house features a porch, terrace, and a spacious patio for outdoor enjoyment. In the basement, there is a generous space that includes a 1,000-liter water tank with an integrated motor for daily convenience. The first floor offers a bathroom, a bright living-dining room, a large high-quality kitchen, and an additional room that also serves as a dining area.
