The home features a seamless connection between indoor and outdoor living, surrounded by lush gardens and an infinity pool. Every detail reflects elegance and peace, creating a private retreat for those who value space, beauty, and tranquility. Inside, fine materials and craftsmanship define every room. The villa includes a designer kitchen with a sculptural island, a spacious living area that opens to the gardens, and two master suites with spa-like bathrooms. There is also a private gym, cinema room, and a wellness zone with a sauna, massage area, and a 1,500-year-old granite bathtub. Smart systems, solar panels, and advanced security make the property both beautiful and efficient.
