Introducing 302 The Penthouse, a frontline residence in the heart of Puerto Banús Marina. Positioned in one of the most exclusive spots, this home offers both tranquillity and prestige, set in the quietest corner of the port and directly above the flagship Louis Vuitton store. This privileged location not only ensures impeccable upkeep of the building façade but also places you just 200 metres from the beach, the Mediterranean, and Marbella's finest selection of luxury boutiques, restaurants, cafés, and department stores. Fully renovated from top to bottom, this penthouse has been reimagined with brand-new installations, fixtures, and fittings, delivering a fresh and modern interior of the highest standard. Upon entry, panoramic sea views immediately command attention, stretching across the marina, superyachts, and out to the horizon. The open-plan living and dining space is bathed in natural light, enhanced by slim-profile triple-glazed terrace doors that eliminate external noise and open onto a private terrace overlooking the marina. Throughout the interior, every detail has been considered, from recessed dimmable lighting and drop pendants to built-in speaker systems, zonal AirZone climate control, and underfloor heating.
