Well positioned, three bedroom townhouse, frontline to the beach on the west side of Estepona in Bahía Dorada. The property has three bedrooms in total, across various levels as well as two bathrooms, one with bath and the other with a shower. The lounge and main terrace enjoy views of the sea. There is a private garden with direct access to the community which in turn provides direct access to the promenade and the beach. The property has recently been partly reformed and would benefit from some further updates. A well located, family home on the beach in a popular and well established urbanisation with several swimming pools, close to Estepona town. Viewings recommended.
