Fabulous property located in a frontline beach complex right by the Port of Cabopino. This is actually two midsize apartments that have been joined together to create an amazing three bedroom and three bathroom property with no less than three terraces all with some of the most amazing sea and coastal views and views to the Port of Cabopino. The property has been totally rebuilt from top to bottom with everything replaced in harmony with the same design throughout the apartment. The property comes with a private underground garage space and also a communal parking space. This really has to be seen to be appreciated. This property is built with the highest quality and exquisite taste! The views are dreamy! The air radiates peace and relaxation. A visit is highly recommended. Call us, you'll fall in love!!!
