Ref.-ID: R5107849 Mijas Plot

606 m2

Spectacular urban plot located in the prestigious Buena Vista residential area. With a total surface of 606 m² and a buildability of 26%, the plot allows for the construction of a detached villa with up to three floors, with the basement not counting towards the buildable area. Enjoy panoramic sea and mountain views in a peaceful and well-connected environment surrounded by nature. A unique opportunity to build your dream home in one of the most sought-after areas of the Costa del Sol.
