Situated within the well-established residential community on the New Golden Mile, midway between Estepona and Marbella, this sunny property offers an excellent opportunity to enjoy the Coastal lifestyle from a very conveniently located home. The gated complex features beautiful Andalusian architecture and enjoys an enviable position just a short walk from the beach via a nearby footbridge; with bars, restaurants, supermarkets, banks and everyday amenities literally on the doorstep. The Penthouse offers well-distributed interior space across good size living-dining room with open plan functional kitchen, three bedrooms and two bathrooms (one of them ensuite), complemented by a sunny south facing terrace. The bright and spacious lounge flows naturally onto the terrace, creating a seamless indoor-outdoor connection ideal for enjoying the mild Costa del Sol climate. All three bedrooms are generously proportioned, with fitted wardrobes, UFH in bathrooms & plenty of natural light, offering comfortable accommodation for both permanent residence and holiday use. Being situated on the top floor provides an elevated sense of privacy and extensive private rooftop terrace with built in BBQ kitchen and panoramic views towards the Mediterranean sea, Gibraltar & mountains. The property comes complete with parking space in underground garage, adding practicality and convenience to the overall offering. The elevator connects with the Penthouse level. The community itself offers a communal swimming pool and well-maintained garden areas, set within a peaceful residential environment that do not accept new short term rental licences.
