Fabulous property located in a frontline beach complex right by the Port of Cabopino. This is actually two midsized apartments that have been joined together to create and amazing three bedroom and three bathroom property with no less that three terraces all with some of the most amazing sea and coastal views and views to the Port of Cabopino. The property has been totally rebuilt from top to bottom with everything replaced in harmony with the same design throughout the apartment. The property comes with a private underground garage space and also a communal parking space. This really has to be seen to be appreciated. New better photos will follow shortly.
