Welcome to this typical Spanish upstairs flat, completely renovated in 2024, which is ideal for families and groups of friends of up to 6 people, but also offers enough space for winter visitors which are mostly couples. The very best part of this apartment is the balcony with sea views. The property is located in a quiet and pleasant residential area called Torremar. Approximately 150 metres away, there is access to the well-maintained communal saltwater swimming pool. Finally, the beach is very close by, making this the perfect base for every stay. \*\*Final cleaning of 200 euros (excl. VAT) is not included in the price.
